Supply is capped at 11,111 \$ESTARZ, rewards will only be distributed by the Mint of an Elrond Zodiac NFT. Each person who mines one receives one \$ESTARZ (very rare), it is a deflationary token with a limited supply and a burn mechanism to ensure that the profitability increases over time. In addition, each sale of an Elrond Zodiac NFT requires 11% royalties, of which 5% goes back into the ESTARZ token, 1% will burn and 3% into the team 1% Marketing and 1% into Charity.

* We plan to list on the Maiar Exchange after the sale of Elrond Zodiac is completed. These funds will be used to provide liquidity

** 1% Of Royalty fees are used to purchase and burn \$ESTARZ.
